

# Health Services for Children

PEACEHEALTH MEDICAL GROUP

Our pediatricians are here  
for your family

- Evening and weekend clinic hours
- Direct access to specialists
- Comprehensive health care even in a hospital setting

PeaceHealth  
Medical Group

PeaceHealth Medical Group pediatricians are here for the health of your children seven days a week even if they are hospitalized. Our pediatricians offer evening and weekend hours, direct access to our specialists and keep hours in the hospital every day. We ensure that your children get the best possible medical care in our clinic locations and at the hospital should they ever need inpatient care.

Our pediatricians are accepting new patients at these locations:
