

Peace Harbor Medical Center Outpatient Infusion Service Request

Phone: (541) 902-6019 Fax: (541) 902-1649

Thank you for selecting our infusion services team to care for your patient. If you are not a PeaceHealth provider, all information listed below is required before we can process orders and schedule your patient for treatment. Part A- Patient scheduling and contact information: Patient Name (Last, First): _______Date of Birth: _____ Patient Contact Information and Phone Number (s): Ordering Provider Name (Print): Provider Clinic or Service Address: ______ Clinic or Service Phone Number: _____ Clinic or Service Fax Number: _____ Diagnosis (include ICD 10 codes): Medication and Service Requested- list J-Code/ CPT code if known: ______ Date Service is Requested to Begin: ______ Date Service is Expected to End: ___ Order will expire 1 year from date of provider signature unless "date service is expected to end" is earlier. <u>Part B- Insurance and Prior Authorization.</u> Any non-PeaceHealth provider must obtain prior authorization prior to service. Attach a copy of authorization documentation received from insurance payer when submitting orders. Insurance (Payer) Company: Prior Authorization Number and Conditions: Prior Authorization Expiration Date: _____ Insurance (Payer) Contact Phone Number: <u>Part C-</u> Elements needed to guide medication therapy are included with request for service: All orders and instruction (please use the PeaceHealth approved ordering form) are complete and include provider signature AND printed name at the bottom of each order page. Check the boxes of ALL orders you would like to activate. For blood products, PeaceHealth Blood and Transfusion Consent form is signed and dated by the provider and the patient. If information is located outside of PeaceHealth's electronic medical record system attach the following: A list of current medications reconciled by patient provider is available and includes a list of known allergies. Recent progress notes from ordering provider. A copy of relevant laboratory results and other appropriate supporting documentation. **IMPORTANT MESSAGE TO PROVIDERS:** To reduce delays in treatment and phone calls to your office you may participate in the PHMC formulary process by signing this document. A clinical pharmacist will adjust orders according to PHMC approved policies and procedures.

I agree to utilize PHMC policies & procedures that have been reviewed by the Pharmacy & Therapeutics Committee and authorized by the Medical Executive Committee of PHMC. This agreement will be issued for the duration of active orders contained within this treatment plan.
