

PeaceHealth Sacred Heart Medical Center at RiverBend

Since its opening in 1936, Sacred Heart Medical Center has served the healthcare needs of Lane County residents. Today, Sacred Heart Medical Center at RiverBend is a cutting-edge tertiary care medical facility. It serves as a Level II trauma center. PeaceHealth Sacred Heart Medical Center is also home to central and southern Oregon's largest inpatient behavioral health unit. PeaceHealth Medical Group clinics in the Eugene-Springfield area provide a comprehensive array of primary and specialized medical services to support the community's healthcare needs further.

Overview

Service Area

PeaceHealth Sacred Heart Medical Center at RiverBend primarily serves Lane County, Oregon, as its core service area while extending its reach to encompass the entirety of Southern Oregon as its secondary service region.
