PeaceHealth, based in Vancouver, Wash., is a nonprofit Catholic health system offering care to communities in Washington, Oregon and Alaska. PeaceHealth has approximately 16,000 caregivers, a multi-specialty medical group practice with more than 800 physicians and providers, a comprehensive laboratory system, and 10 medical centers serving both urban and rural communities throughout the Northwest. In 1890, the Sisters of St. Joseph of Peace founded what has become PeaceHealth. Today, PeaceHealth is the legacy of its founding Sisters and continues to serve communities when invited to do so with a spirit of collaboration and stewardship. This is The Spirit of Health—The Spirit of PeaceHealth. For more information, visit peacehealth.org.
