

Inspire!

A PUBLICATION OF PEACEHEALTH SACRED HEART,
PEACE HARBOR AND COTTAGE GROVE FOUNDATIONS

Winter 2020

Your partnership makes a difference

by Tim France, Chief Development Officer, PeaceHealth Oregon Network

Happy New Year from Sacred Heart, Peace Harbor and Cottage Grove Community Medical Center's Foundations. I'm thrilled to share with you news on the transformational work being done by our Foundations in the Oregon Network, work we can't do without you.

Sacred Heart Medical Center Foundation completed fundraising in September 2019 for our brand-new Heartfelt House on the RiverBend campus. The House opened on September 10 and immediately became a home-away-from-home for families with loved ones being treated at PeaceHealth Sacred Heart Medical Center at RiverBend or University District. The annual Lunch at Tiffany's raised the most funds ever to support important programs and services for our pediatric program, and the Sister Monica Heeran Nursing Education Fund continues to provide much needed tuition assistance to nursing caregivers that are interested in pursuing an advanced nursing degree.

Since opening, the Heartfelt House has provided services for more than 270 families!

In Florence, **Peace Harbor Medical Center Foundation** held their first "Party with a Purpose" in January, a women's only event highlighting the amazing local Women's Care team and the new fund that was created to support their work. The new Women's Care Fund will support patient educational programs, clinical equipment, personnel, and staff training. With this fund, we hope to provide educational opportunities for the community related to pregnancy, childbirth, nutrition, cancer screenings, lifestyle risk assessments, and preventative care. From annual exams and family planning to disease screenings and treatments, donations to the new Women's Care Fund will make it easier for all patients to find the healthcare services they need locally. Because of support from donors like you, Peace Harbor will always be able to provide the best possible care to women in western Lane County at every stage of life.

Our **Cottage Grove Community Medical Center Foundation** hosted a very successful Gala in December. More than 150 people participated and nearly \$60,000 was raised to support the Cardiac Telemetry program. Installation of the equipment is scheduled to begin in late spring and clinical training on cardiac monitoring and cardiac arrhythmias will begin in March for our nurse caregivers. This state-of-the-art program would not be available in the Cottage Grove community without your generous support.

The PeaceHealth Oregon Foundations are committed to providing the philanthropic support necessary to help care for all the patients, and their families who turn to our hospitals every day for help and hope. Our work is successful because of community-minded benefactors like you who give your time and financial resources in support of our programs and services.

It is an honor to partner with remarkable and generous people like you!

For more information on how you can help support the PeaceHealth Oregon Foundations, please contact us at 541-222-7100.

Making an Impact

Looking for ways to make an impact in your community? Check out the list of hospital funds below and start planning your 2020 donation schedule today!

Cottage Grove Community Medical Center

- **Area of Greatest Need Fund** allows the Foundation to respond to a variety of urgent needs within Cottage Grove programs and services.
- **Caregiver Education Fund** helps provide financial assistance to Cottage Grove Caregivers who are advancing their healthcare training/education.
- **Dignity Fund** helps low-income patients discharged from the hospital avoid re-admittance by providing financial assistance with cost of transportation, clothing, shelter, medication or any other support related to their medical treatment or needs.

For more information, visit peacehealth.org/foundation/cottage-grove

Peace Harbor Medical Center

- **Area of Greatest Need Fund** allows the Foundation to respond to a variety of urgent needs within Peace Harbor programs and services.
- **Community Health Fund** helps support community services that extend the care provided at our medical center and result in patients becoming and staying healthier.
- **The Women's Care Fund** supports the Peace Harbor Medical Center Women's Care program, including staff education, equipment and patient programs.

For more information, visit peacehealth.org/foundation/peace-harbor

Sacred Heart Medical Center

- **Area of Greatest Need Fund** allows the Foundation to respond to a variety of urgent needs within Sacred Heart programs and services.
- **Children's Miracle Network Fund** supports the labor and delivery and neonatal intensive care units, and our pediatric programs.
- **Sister Monica Heeran Nursing Education Fund** provides Sacred Heart nurses with financial support for tuition and other educational materials associated with their pursuit to complete their BSN, MSN, PA or NP degrees.

If you do not wish to receive fundraising materials from PeaceHealth Oregon Foundations, please contact us at 541-222-7100 or SHMCFoundation2@peacehealth.org

National Doctors' Day

Thank your doctor on March 30th!

Each year on March 30th we celebrate National Doctors' Day. It's a time when we express our gratitude to the extraordinary physicians who serve daily on the front lines of healthcare and in whose hands, we place our trust to provide the very best care for ourselves and our loved ones.

Doctors' Day is also an opportunity to acknowledge those physicians who affect our own life in a special way. Here's a recent tribute that is very memorable:

"Thank you for your compassion, your time and your exceptional skill as a surgeon which have given me the greatest gift — time. My promise is to try and honor that gift every day."

We often think of our doctors as family, which certainly speaks to their importance in our life. Our three Foundations - Cottage Grove, Peace Harbor and Sacred Heart - are offering you a meaningful way to help you show your appreciation for a "favorite doctor." By making a tribute gift in your doctor's name, you also will be contributing toward providing the best possible patient care in the hospital.

It's easy! Place your tribute gift and completed form (below) in the enclosed reply envelope.

Thank you! 100% of your gift stays in your community and helps ensure that our healing mission will continue for many years to come.

I would like to Honor a Healthcare Provider.

Please recognize _____ (Healthcare Provider),
for the outstanding care they provide to our community.

Comments (optional) _____

Yes, PeaceHealth may share my comments.
