

# PeaceHealth At A Glance

PeaceHealth, based in Vancouver, Wash., is a non-profit Catholic health system offering care to communities in Washington, Oregon and Alaska. PeaceHealth has approximately 16,000 caregivers and nearly 3,200 physicians and clinicians, more than 160 multi-specialty clinics and 9 medical centers serving both urban and rural communities throughout the Northwest. In 1890, the Sisters of St. Joseph of Peace founded what has become PeaceHealth. Today, PeaceHealth is the legacy of its founding Sisters and remains dedicated to ensuring that every person receives safe, compassionate care; every time, every touch. ## Mission

We carry on the healing mission of Jesus Christ by promoting personal and community health, relieving pain and suffering, and treating each person in a loving and caring way.

## Values

### Respect

We respect the dignity and appreciate the worth of each person as demonstrated by our compassion, caring and acceptance of individual differences.

### Stewardship

We choose to serve the community and hold ourselves accountable to exercise ethical and responsible stewardship in the allocation and utilization of human, financial and environmental resources.

### Collaboration

We value the involvement, cooperation and creativity of all who work together to promote the health of the community.

### Social Justice

We build and evaluate the structures of our organization and those of society to promote the just distribution of healthcare resources.
