Peace Health

Community Health

PeaceHealth collaborates with community partners and makes direct investments that improve wellness, access, quality and health justice. **In FY26, PeaceHealth provided $280,000 in support to Florence area organizations.**

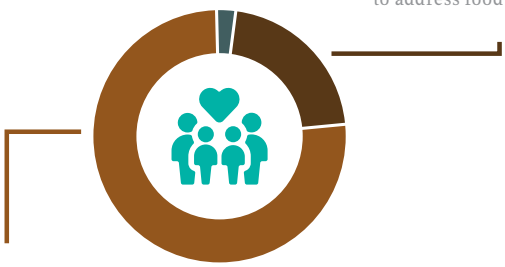

Learn more about the community of Lane County in our 2025–2028 Community Health Needs Assessment. Community health needs define our priorities and guide us in partnering with community-based organizations to address critical social determinants of health: food insecurity, housing, access to care and behavioral health.
