Peace Health

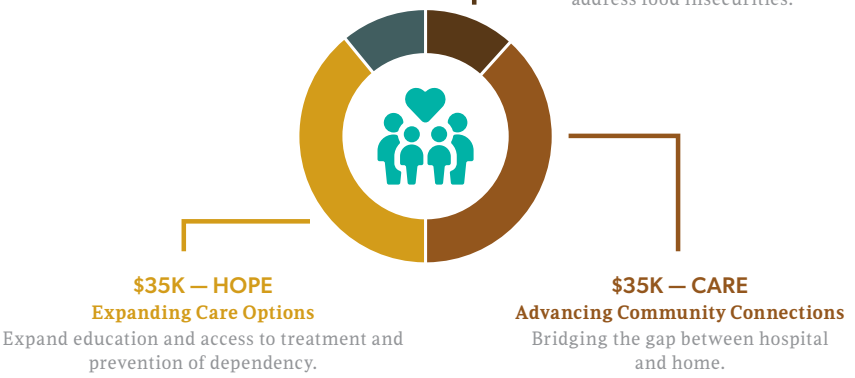

Community Health

PeaceHealth collaborates with community partners and makes direct investments that improve wellness, access, quality and health justice. **In FY26, PeaceHealth provided $90,000 in support to San Juan County organizations.**

Learn more about the community of San Juan County in our 2025–2028 Community Health Needs Assessment. Community health needs define our priorities and guide us in partnering with community-based organizations to address critical social determinants of health: food insecurity, housing, access to care and behavioral health.

Community Impact Investment

Fiscal Year 2026 | July 1, 2025 – June 30, 2026

Foundation

The San Juan Island Community Foundation is proud to have championed the creation of PeaceHealth's Peace Island Medical Center in 2012, having raised $10 million to improve access to quality health care for all islanders. SJICF supports the medical center and hospital in many ways, including their vital role in accepting charitable donations for Peace Island Medical Center. Contributions by community-minded individuals and businesses support a variety of ongoing and expanded healthcare, wellness and treatment programs.

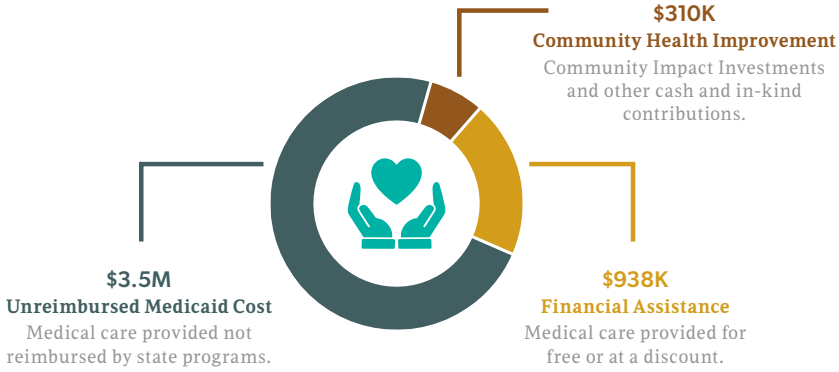

Community Benefit

15 cents of every dollar PeaceHealth spends in San Juan County is towards community benefit.
