Our Mission and Values

OUR MISSION

We carry on the healing mission of Jesus Christ by promoting personal and community health, relieving pain and suffering, and treating each person in a loving and caring way.

OUR CORE VALUES

Respect – We respect the dignity and appreciate the worth of each person as demonstrated by our compassion, caring and acceptance of individual differences.

Stewardship – We choose to serve the community and hold ourselves accountable to exercise ethical and responsible stewardship in the allocation and utilization of human, financial and environmental resources.

Collaboration – We value the involvement, cooperation and creativity of all who work together to promote the health of the community.

Social Justice – We build and evaluate the structures of our organization and those of society to promote the just distribution of health care resources.

OUR VISION

Every person receives safe, compassionate care; every time, every touch.
