

PeaceHealth
Southwest Medical Center
Foundation

August – September 21, 2013

Gala: September 21, 2013

What: **The Beat Goes On - HeArts of Clark County** is a fundraising and educational effort capped by a glamorous gala and HeArt auction September 21st at PeaceHealth Southwest Medical Center's Shared Services Center in Vancouver. This multi-week endeavor will raise vital funds to help build a life-saving new Hybrid Cath Lab in Vancouver at PeaceHealth Southwest Medical Center.

Heart disease is the number one killer of men and women in the United States. PeaceHealth Southwest has one of the Vancouver/Portland region's premier heart and vascular centers, and the Medical Center is committed to continued heart and vascular excellence which is what the Hybrid Cath Lab will bring to our community. **The Beat Goes On - HeArts of Clark County** will entertain, educate and engage the community while bringing the newest advancements in life-saving heart and vascular care to our community.

When: In August and September, 25 large fiberglass hearts, beautifully designed and painted by local artists, will be displayed throughout Clark County. Each HeArt will be sponsored, and will display a plaque with the sponsor and artist's name.

The effort will conclude Saturday evening September 21st at the PeaceHealth Shared Services Center (former Nautilus Bldg.) with **The Beat Goes On HeArt Gala** for 500 guests. This will be a first-class evening of dinner, dancing, camaraderie and entertainment at which these unique HeArts will be auctioned off to the highest bidders.
