Welcome to PeaceHealth Medical Group

Connected, to your network of care
Complete Care in Lane County

When you choose PeaceHealth Medical Group, you’re connected to an integrated health organization composed of four hospitals, numerous primary care and multispecialty care clinics, urgent care and walk-in clinics located conveniently throughout Lane County.

Today, we have more than 200 primary and specialty care providers to help meet the health care needs of you and your family. PeaceHealth Medical Group providers have access to your medical history through our Electronic Medical Records, and you can stay linked to your health care information online through the Patient Connection portal. Our convenient locations and hours mean you’ll have access to quality, compassionate care when you need it most.

We are part of PeaceHealth, a not-for-profit health care system that also operates hospitals and PeaceHealth Medical Group clinics in Washington and Alaska.
