Community

Eugene-Springfield is the second-largest metropolitan area in Oregon. Home of the University of Oregon, Eugene boasts cultural amenities typical of much larger cities from the Jordan Schnitzer Museum of Art to the world-famous Oregon Bach Festival.

PeaceHealth is a nonprofit health system with 10 hospitals, dozens of clinics and laboratories, and hundreds of doctors based in the Pacific Northwest and dedicated to our mission of service to each community. Since our founding in the late 1800s in northwest Washington by the Sisters of St. Joseph of Peace, our network of faith-based, mission-oriented PeaceHealth facilities has grown to include services throughout Oregon, Washington and Alaska.

OUR MISSION

We carry on the healing mission of Jesus Christ by promoting personal and community health, relieving pain and suffering, and treating each person in a loving and caring way.

OUR CORE VALUES

Respect We respect the dignity and appreciate the worth of each person as demonstrated by our compassion, caring and acceptance of individual differences.

Collaboration We value the involvement, cooperation and creativity of all who work together to promote the health of the community.

Stewardship We choose to serve the community and hold ourselves accountable to exercise ethical and responsible stewardship in the allocation and utilization of human, financial and environmental resources.

Social Justice We build and evaluate the structures of our organization and those of society to promote the just distribution of health care resources.
