

**For use when applying to positions from home**

1. Visit our PeaceHealth Careers site at [jobs.peacehealth.org](https://jobs.peacehealth.org). Here you can learn about our various PeaceHealth campuses and search the open positions.

Current Employees must log on to the PeaceHealth network and apply as an INTERNAL applicant.

Failure to successfully log in with your 3x3 and password before applying will result your being viewed as an EXTERNAL applicant.

Select the Current Employees tab in the upper right hand corner to view our currently available positions for our internal caregivers.

2. Select Internal Applicant Link to be directed to the sign on page.

### Career Opportunities for PeaceHealth Caregivers

Current Employees must log on to the PeaceHealth network and apply as an **INTERNAL** applicant.

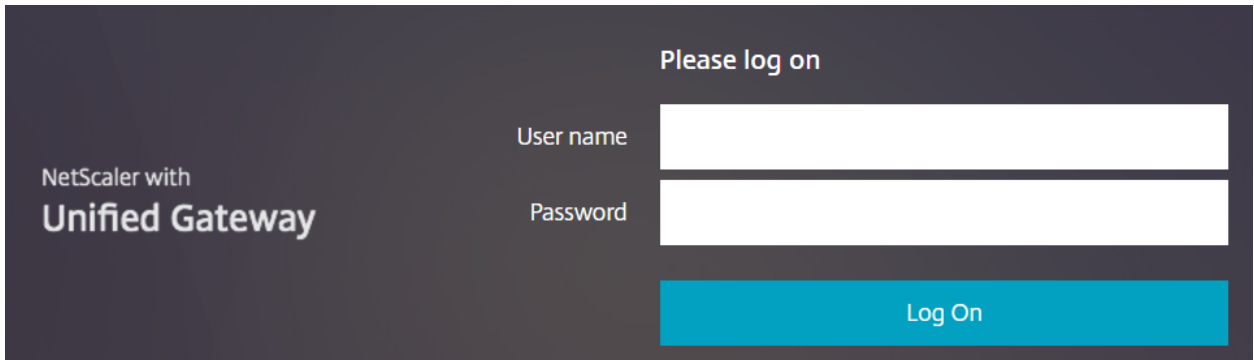

Failure to successfully log in with your 3x3 and password *before* applying will result your being viewed as an **EXTERNAL** applicant.

[Click here](#) for instructions for first time set up from home or a non-PeaceHealth device.

After initial set up/success from a remote device, logging in via your 3X3 should be easy by clicking on the *Internal Applicant Link* below.
