For use when applying to positions from work.

1. While logged on to a PeaceHealth device, navigate to **My HR** from **Crossroads**.

2. Select **Search for Jobs** under **My Career**.

3. Select **Careers** in the upper left hand corner to navigate to the job search portal.

   You are able to search for a position via keywords, requisition number, work type, job category, posting location, and/or shift. Please note that the more specific the search criteria, the more limited the results.
