

SAFE CARE AT PEACEHEALTH

BEFORE YOU SEE US

- ✓ Contact your provider (call or video)
- ✓ You may be pre-screened for symptoms
- ✓ Bring your own mask

WHEN YOU ARRIVE

- ✓ Arrive with your mask on
- ✓ You will be greeted and screened at the entrance
- ✓ Visitors should plan to stay home or in the car

DURING YOUR VISIT

- ✓ All caregivers screened daily and have PPE
- ✓ Signs and spacing to support social distancing
- ✓ All facilities sanitized to strict medical standards
- ✓ Any patients with COVID-19 treated in separate area by separate caregivers*

AFTER YOU GO HOME

- ✓ Wear a mask in public places
- ✓ Wash your hands frequently
- ✓ Continue to keep your distance from others
