Sunday, November 1 | 10:00 a.m. – 2:00 p.m.

San Juan County Fairgrounds, Friday Harbor

Offering adult-only flu vaccines.

Get your flu shot today!

Ask about getting your vaccination during your visit.

The CDC recommends everyone 6 months and older get a flu shot by the end of October. The vaccine will help prevent you from getting the flu and lessen symptoms if you do get it. People at high risk for serious complications from flu are:

- Young children.
- Pregnant women.
- People 65 years and older.
- People who suffer from asthma, diabetes and heart or lung disease.

Call your local doctor's office or Pharmacy and ask to be scheduled for a vaccine.
