Phone Conference ID: 993 729 527#

Objectives:

- Classify levels of pediatric traumatic brain injury (TBI) by severity using GCS scores
- Incorporate evidence-based-medicine and PECARN algorithms to guide pediatric TBI imaging and management.
- Describe the utility of QuickBrain MRI as an alternative to CT imaging for TBI.

Accreditation: PeaceHealth Sacred Heart Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.”

Designated Credit Statement: PeaceHealth Sacred Heart Medical Center designates this live activity for a maximum of *1 AMA PRA Category 1 Credit(s)*™. Physicians claim only the credit commensurate with the extent of their participation in the activity.
